

Parent/Toddler Program Application for Admission

The most successful educational experience for the child comes when home life and school life work in a harmonious fashion, providing a solid base from which the child can be in the world. This is what we strive for here at City Of Fountains School. As you answer the questions below, please understand that these questions are helpful for our teachers, in understanding your child's rhythm (order of their day). This rhythm carries into the classroom each day and as teachers, we can help the child integrate into school if we know more about your family life.

The young child's development of creativity happens when they can picture, envision and see inwardly. Studies show that this delicate ability is overwhelmed by the bombardment of media, in all its forms. Therefore, we ask you about your media usage. This is not a test, just a way to understand your child and family better. Thank you for taking the time to assist us in getting to know you and your child!

Our parent/toddler program is offered on **Wednesday or Thursday** from 9:00am to 11:30am, with optional outdoor playtime from 11:30-noon.

- Wednesday
